(b) if so, the details thereof; and

(c) the details of other incentives Government propose to give to garment industry to boost their exports?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) and (b) No, Sir. Government have taken no specific measures to liberalize the customs clearance procedures for exporters of textiles and garments during the post-quota regime. However, procedures for clearance of export goods have been simplified in general in the recent past, and are equally applicable to the exporters of garments and textiles in the post-quota regime.

(c) No such measures are being proposed at present. However, the exporters of textiles and garments are eligible to avail of the benefits of existing incentives such as duty drawback, DEPB, DEEC, etc. Government has also provided for infrastructure facilities, simplified investment norms, duty concessions on certain inputs meant for exports, eco-testing laboratories, etc. to textile and garment exporters.

Closure of Pre-merger branches of banks

4235. SHRI S.M. LALJAN BASHA: Will the Minister of FINANCE be pleased to state:

(a) whether Government have evolved a policy which allows merged banks to close any of their premerger branches as they like;

(b) whether it is a fact that Government are aware of the problems that will arise when branches close at a rapid pace in rural areas;

(c) what is the specific policy at present which deals with the issue of closure of branches of banks after two entities merge; and

(d) steps proposed to review the issue of closure of bank branches in small towns, rural areas and panchayats?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) and (d) IBA has recommended that Government should consider proposals for consolidation between public sector banks in order to strengthen them. Government has indicated that it would consider specific proposals from these banks as and when they arise. Any such proposal for consolidation by way of merger etc. has to come from the management of the banks concerned with Government playing a supportive role as the common shareholder. No directive on consolidation has been issued by Government or RBI. The Boards of Banks have to take a decision in this regard based on the synergy levels of merging/consolidating entities. While supporting any merger proposal, Government will ensure protection of the interests of all the stakeholders and public in general with a view to ensure availability of banking services in rural areas.
